- **Database:** MongoDB, PostgreSQL, Firebase Firestore, Prisma, Mongoose.
- **Tools:** Git, Vercel, Cloudinary, Twilio, Stripe, NextAuth.js, Socket.IO.

EXPERIENCE

JUN 2024 – PRESENT

FRONTEND DEVELOPER, [SILOCRM](#)

- Building enterprise CRM platform with contacts, leads, and sales pipeline management modules.
- Developing real-time call center dashboard with live metrics, agent monitoring, and call tracking.
- Implementing complex data tables with filtering, sorting, pagination, and bulk actions for large datasets.
- Worked with Next.js, TypeScript, Fastify, PostgreSQL, Prisma, TanStack Query, and Twilio.

1 JAN 2024 – 31 MAY 2024

FULL STACK DEVELOPER, [TRUEHUB](#)

- Designed tiered investment packages with automated ROI calculations to simplify user investment tracking.
- Built admin dashboard enabling KYC verification workflow, reducing manual document review time.
- Integrated secure payment gateway handling deposits, withdrawals, and complete transaction history.
- Implemented JWT-based authentication ensuring secure access across all platform endpoints.

1 JUN 2023 – 31 DEC 2023

FRONTEND DEVELOPER, [BAJIKAR](#)

- Developed complete frontend serving casino games, sports betting, and live dealer sections for 10K+ users.
- Created 20+ reusable UI components with glassmorphism effects and smooth CSS animations.
- Implemented i18n supporting 3 languages (English, Bengali, Hindi) with cross-tab state synchronization.
- Built wallet system with real-time balance updates, deposit/withdraw flows, and jackpot displays.

1 JAN 2022 – 31 DEC 2022

FULL STACK DEVELOPER, [HEARTBEAT](#)

- Created intuitive profile builder with photo uploads, bio editing, and preference settings for better matches.
- Developed real-time chat experience with typing indicators, read receipts, and online presence status.
- Implemented smart matching algorithm connecting users based on interests and location proximity.
- Built secure auth flow with email verification, password recovery, and session management.

EDUCATION

01 JAN 2020 – 31 DEC 2025

Bachelor's Degree in Philosophy, Kushtia Islamia College
